

An aerial map of St. Augustine Beach, Florida, overlaid with floodplain data. The map shows a coastal area with a large body of water on the right. A prominent red-shaded area, labeled 'ZONE VE (EL 12)', runs along the coastline. To the left of this, a yellow-shaded area is labeled 'ZONE AE (EL 11)'. Further inland, a green-shaded area is labeled 'ZONE AE (EL 8)'. A narrow strip of purple-shaded area is labeled 'ZONE VE (EL 15)'. A road labeled 'A1A Beach Blvd' runs vertically through the center of the map. Other streets shown include 'Pope Rd' at the top, '16th St', '11th St', and 'A St'. A road labeled 'A1A S' runs diagonally from the bottom left towards the center. The text 'ZONE X-Shaded' is also visible near the 11th St intersection.
