

MEMORANDUM

TO: Mayor England
Vice Mayor Kostka
Commissioner George
Commissioner Samora
Commissioner Rumrell

FROM: Max Royle, City Manager 

DATE: November 2, 2020

SUBJECT: Electric Vehicle Charging Station at City hall: Request to Approve Contract and Percentage of Revenue from Sale of Electricity

We ask that discussion of this topic be postponed to your December 7th meeting. The reason is that the City has not received the contract from the company that's to provide the charging station. The company says that the contract is still under legal review.
