

MEMORANDUM

TO: Mayor England
Vice Mayor Samora
Commissioner George
Commissioner Rumrell
Commissioner Torres

FROM: Max Royle, City Manager 

DATE: August 18, 2021

SUBJECT: Ordinance 21-10, Public Hearing and Second Reading: to Amend the Land Development Regulations Concerning Home Occupations and Conditional Use Permits

BACKGROUND

At this time, most conditional use permits must be approved by the City Commission. The Planning Board does review requests for such permits and makes a recommendation to you as to whether they should be approved. The Board does approve permits for home occupations.

At your May 18th joint meeting with the Planning Board and the Sustainability and Environmental Planning Advisory Committee, you discussed and approved the staff's suggestion that the Planning Board approve certain conditional use permits, such as for drive-thru windows, the outside serving of food and beverages, and the outside storage or merchandise.

The Planning Board reviewed this proposal at its June 15th meeting and by unanimous consensus recommended that an ordinance be drafted to revise the Land Development Regulations to give the Board the authority to review and grant or deny all conditional use permit applications except those that request construction of new single-family and multifamily residences in commercial land use districts.

After June 15th, the Building Official became aware of a new state law, House Bill 403, which amends Florida Statute 559.955 to pre-empt the authority of cities to regulate home occupations. Mr. Law decided that the ordinance to allow the Planning Board to approve most conditional use permits should also include the provision in House Bill 403 concerning home occupations, so that the City's Land Development Regulations would be in compliance with Florida Statute 559.955.

You reviewed Ordinance 21-10 at your August 11th meeting, when you passed it on first reading. The Comprehensive Planning and Zoning Board reviewed the Ordinance at its August 17th meeting, and by unanimous vote recommended that you approve it.

Subject: PZB Authority to Grant Certain Conditional Use Permits
Date: Wednesday, June 16, 2021

Please be advised at its regular monthly meeting held Tuesday, June 15, 2021, the City of St. Augustine Beach Comprehensive Planning and Zoning Board agreed by unanimous oral consensus to recommend the City Commission move forward with the drafting of an ordinance to revise the City's Land Development Regulations (LDRs) to give the Planning and Zoning Board the authority to consider, review, and grant or deny certain conditional use permit applications.

Per Section 10.03.04 of the City's LDRs, the Planning and Zoning Board currently has the sole authority to grant or deny conditional use permit applications for home occupations only. All other conditional use permit applications, including those requesting to build single-family and multi-family residences and condominiums on commercially-zoned lots, outdoor dining, food service and sales outside of enclosed buildings, outdoor displays and sales of merchandise, and drive-thru windows for commercial restaurants and businesses, require applicants to attend and present their applications at two meetings: first, the application is reviewed and considered by the Planning and Zoning Board, which makes a recommendation of approval or denial to the City Commission, and second, the applicant then presents the application to the City Commission for the Commission's review and final say on the approval or denial of the application.

The Board agreed, by unanimous oral consensus, to recommend the City Commission move forward on the drafting of an ordinance to revise the City's LDRs to give the Planning and Zoning Board the sole authority to consider, review and grant or deny all conditional use permit applications except those which request construction of new single-family and multi-family residences and condominiums in commercial land use districts.
