The City of St. Augustine Beach will hold a special Commission budget meeting on Monday, September 26, at 5:01 p.m. in the Commission Meeting Room at City Hall. This is a public meeting and the public is invited to attend.

NEW Safety Protocols for all City Meetings

Effective immediately, the City of St. Augustine Beach will implement new security measures during all official city meetings. These new security protocols are very similar to measures that have been in place at the St. Johns County Court House and other governmental buildings for several years throughout St. Johns County.

All meeting attendees will be required to place electronic devices along with personal belongings into bins which are subject to inspection by security. All meeting attendees will also be required to pass through a passive scanner prior to entering the meeting space. We ask that attendees leave any additional items, bags or personal belongings secured in your vehicle if possible.

Thank you for your understanding and cooperation
