

Sanitation

The City of St. Augustine Beach provides waste collection services to all addresses located within the City Limits. Residences and Businesses may enjoy pickup of household (regular garbage) wastes once a week, with a separate collection for yard debris, and special wastes on Wednesday. Sanitation is managed by our Public Works Department.

Please have trash cans in clear view at the curb by 7:00am.

Special wastes, and Yard Debris pickups must be called in before the day of collection. You may call the City Manager's Office, or the Public Works Department to schedule these pickups.

If you have any questions that you are unable to find the answer to below, you may call the City Manager's Office at (904)471-2122 or the Public Works Department at (904)471-1119.
